Legend:

1. Model indicators legend:

- A - 8010 Diskettes
- B - 6085 Diskettes
- C - Cartridge Tape (6085 Software)
- L - Licensing
- R - Reference (or Reference and Training)
- T - Training

2. In the documentation columns, the page count for the individual documents is contained in square brackets. The **bolded** number indicates the number of pages that are changing.

3. Each bullet, "-", indicates that start of a new set (either diskettes or documentation).

4. Any item that has changed since a previous release is **bolded**. If the item is new in this product (but has been included in earlier releases of another product) it is underlined. If this is its first occurrence in any release it is **bold underlined**.
