PARTS ORDERING INFORMATION

Please be certain that your order contains the following information:

1. Quantity required.
- * 2. Correct Teletype Corporation Part Number (including Color Code suffix where needed) as orders are processed using PART NUMBER(S) ONLY.
- * 3. Description of each part ordered.
- * 4. Price each or price per hundred whichever is applicable.
5. Number and date of quotation where applicable.
6. Complete shipping and billing address, including Zip Code, and instructions whether transportation charges are to be prepaid or collect. If prepaid, transportation charges will be billed as a separate item.

PLEASE NOTE: IF YOU REQUIRE PROOF OF TRANSPORTATION CHARGES YOU SHOULD REQUEST FREIGHT COLLECT SHIPMENT.

7. Complete packaging, packing and marking instructions. In the absence of specific instructions, Teletype Corporation's standard commercial packaging, packing and marking will be used. Shipment of parts will be from stock or as soon as available. We are unable to accept clauses such as "make one complete shipment", "only one payment will be made", etc.

* PLEASE NOTE: COMPUTERIZED EDITING IS PERFORMED ON PART NUMBER AND PRICE ONLY. TELETYPE PERFORMS NO EDITING ON THE DESCRIPTION. CONSEQUENTLY, VERIFICATION OF PART NUMBER AND DESCRIPTION IS CONSIDERED THE RESPONSIBILITY OF THE CUSTOMER.

MATERIAL OF FOREIGN ORIGIN

In compliance with certain requirements of the U. S. Bureau of Customs, Teletype Corporation hereby informs you that some of the parts we sell or use in our products may be assembled, either in whole or in part, principally containing components and parts of U. S. origin and manufacture, in one or more of the following foreign countries (except, where we have otherwise agreed to supply only U. S. manufactured and assembled parts):

Republic of Korea, United Kingdom, Portugal,
Taiwan, Philippines, Hong Kong, Malaysia,
Mexico, and Canada

You may rest assured that all ball bearings sold by Teletype Corporation are in full compliance with ASPR 7-104.38, and that all components, parts, subassemblies and apparatus sold by Teletype Corporation are in full compliance with ASPRs 6-104.5 and 7-104.3.

STANDARD SALES TERMS AND CONDITIONS

October 1, 1974

Applicable to all transactions including U.S. Government End-Use

1. PRICE, PAYMENT AND DELIVERY

- A. Prices are net f. o. b. carrier's equipment, our Skokie, Elk Grove Village, Illinois, or Little Rock, Arkansas facility (ex-factory, for export transactions); they do not include installation or maintenance. Title passes at the f. o. b. point.
- B. Equipment prices stated herein are firm for shipments scheduled in the six (6) months subsequent to the month in which your order is received. Prices for equipment scheduled in the seventh (7) through twelfth (12) month may be subject to a price increase, not to exceed 10% of the now current price. Any deliveries made pursuant to buyers rescheduling of an original order or delayed as a result of the buyers failure to meet financial obligations, will be invoiced as if originally scheduled in the month of shipment. Deliveries that are beyond twelve (12) months will be invoiced at the then current price.
- C. Each invoice is due and payable 30 days from date (60 days, in U.S. funds, where customer's billing address is outside the United States of America).
- D. If credit has not been established with us, domestic terms will be c. o. d. or cash in advance and export terms will be irrevocable letter of credit on The Northern Trust Company, Chicago, Illinois, or, for orders under \$500.00, sight draft on The Northern Trust Company. Such letter of credit or sight draft must be in the minimum amount of the purchase price of all items ordered, plus any other charges made by us; it may, at your option, also make provisions for charges and fees payable to others.
- E. Our prices include only our standard commercial packaging, packing and marking for domestic shipment. Prices for special and export packaging, packing and marking will be quoted upon request. We shall choose method of shipment and carrier unless otherwise directed in writing. Delivery for export will be made in the continental United States to a freight forwarder designated by you, whose responsibility it will be to make all export arrangements. Unless you expressly designate such a freight forwarder, you will be deemed to have authorized us to select a forwarder to act on your behalf.

2. TAXES

Prices do not include any sales, use, excise, or similar taxes. These will be billed and paid as a separate item on the invoice. If you are not subject to any above taxes you are required to provide us with a Tax Exemption Certificate for each state to which equipment will be shipped or indicate on each purchase order the tax status that applies.

3. CANCELLATION AND DEFERMENT OF SHIPMENTS

Should you wish to cancel, we will do so without charge if the request is received at least four months prior to the month of scheduled shipment. If the above condition is not met, you will be charged 15% of the price of the equipment affected.

No deferment of equipment will be permitted within a four month period prior to the month of scheduled shipment.

4. PATENTS

With respect to any article furnished by us, we will at our own expense defend all suits alleging infringement of any United States patent by reason of the use or resale of said article for the purposes furnished, and will save you harmless from all expenses of defending said suits and from all payments which by final judgment therein you may be compelled to pay to the complainant as profit, damages, or costs on account of such infringement. If such use or resale shall be prevented by permanent injunction in any such suit, we will in addition, at our option either (1) replace said article, (2) modify it so that it will not infringe, (3) procure without cost to you the right to continue to use and resell, or (4) remove the infringing article and refund to you the amount paid to Teletype therefore, less a reasonable allowance for use, damage, and obsolescence. All of our obligations recited in this paragraph are on the condition that we be given immediate written notice of all claims of infringement and full authority to dispose thereof. In connection therewith you agree to furnish such reasonable assistance as we may request. In any event, however, our obligation shall not apply to any combination of said article with anything not furnished by us, and also shall not apply to any infringement arising out of compliance with your specifications. Our liability shall be limited to the obligations expressed in this paragraph.
 (See Par. 13 below.)

The furnishing of any article does not convey any license, other than such as may be implied by law, to use the same in any patented system or combination.

5. GUARANTEE

Teletype guarantees everything supplied hereunder to be free from defects of workmanship and material and that, on receipt of notice from the purchaser, provided that such notice is received within 120 days subsequent to installation by the original user for assembled Teletype products and circuit card assemblies, we will remedy any such defects by, at our option, repair or replacement or allowing return for full credit. This guarantee does not cover shipping damage, neglect, damage caused by the user, normal wear, or by improper installation or failure to maintain in accordance with the factory instructions provided. There are no warranties other than those set forth in this paragraph and in no event shall you be entitled to any damages as defined in Section 2-715 of the Uniform Commercial Code.

6. RETURN OF EQUIPMENT OR PARTS

Prior written authorization must be given before any equipment or parts are returned.

7. CONFIRMING ORDERS

All confirming orders must be clearly marked, otherwise they shall be treated as original orders.

8. DELIVERY LOSS AND DELAY

Risk of loss passes to customer at the f. o. b. point. Delivery schedules are subject to delays caused by fire, flood, wind storm, and other acts of God, and to strikes, riots, and civil commotions.

9. INSPECTION AND TECHNICAL LITERATURE

- A. Nothing furnished hereunder is subject to test or inspection at our plant by the customer. (See Par. 10 below)
- B. We will not furnish manufacturing drawings, information, or samples of our products.
- C. One copy of applicable Technical literature will be furnished at no additional charge with each set of equipment.

NOTE: As to any order under a U.S. Government prime contract, if such fact together with the prime contract number is specifically indicated by purchaser in the purchasing documents, Paragraphs 10 through 13 will apply.

10. GOVERNMENT INSPECTION

If Government inspection and acceptance is required, such a requirement shall be indicated on your order. Such inspection and acceptance will be performed at Teletype Corporation facilities. Where such facilities are in Illinois, inspection shall be under direction of Director of Defense Contract Administration Services Region, Chicago (DCASR), O'Hare International Airport, P. O. Box 66475, Chicago, Illinois 60666. It is the customer's responsibility to provide DCASR, Chicago with required copies of order and each modification thereto at the time of issue.

11. TERMINATION FOR CONVENIENCE OF THE GOVERNMENT

Teletype agrees to do anything reasonably necessary to enable you to comply with your obligations to the Government under ASPR 8-701 (a).

12. CERTIFICATION OF NON-SEGREGATED FACILITIES

If a written quotation, bid, or proposal is attached, the signature thereon is a certification of Non-Segregated Facilities as required by the Secretary of Labor's order dated May 19, 1967 (32 Fed. Reg. 7439).

13. ASPR CLAUSES
