WFFactModelDetail_CnxtCachWarn Report Parameters

Report By

| Parameter | Description |
|------------------|-------------|
| Report By Fields | None |

Detail Filtering

| Parameter | Description |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Operator | <p>The operator filter function enables you to further define search criteria for many report parameters. Valid values are:</p> <ul style="list-style-type: none"> ◆ ALL ◆ Equal To ◆ Not Equal To ◆ Like <p>Note: Sterling Integrator displays a text box if you select an operator other than ALL. Do not use special characters that are not allowed for the parameter you are filtering by.</p> |
| CnxtCachWarn.BP_EVENT_TIME | Time when the event fired |
| CnxtCachWarn.EVENT_INFO | Information about the fired event |

Detail Filtering (Display Order)

When you choose a display order, the Report By fields are evaluated as having a set sort order which is not changed by the display order options.

| Parameter | Description |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|
| Sort Order (for display) | Select the sort order, either ascending order (for example, A to Z) or descending order (for example, Z to A). |
| Order | The exact order in which parameters are displayed. Select a parameter and click the arrows keys to arrange the parameters in the desired order. |

A report configuration that has a filter value (for a parameter allowing text entry) longer than 40 characters, generates an exception and the report configuration is not saved.
