Smarter Commerce: Moments Matter

IBM Certification Testing Lab

IBM Professional Certification is both a journey and a destination.

- ✓ It's a business solution. A way for skilled IT professionals to demonstrate their expertise to the world.
- ✓ It validates your skills and demonstrates your proficiency in the latest IBM technology and solutions.

Whether you recommend, sell, service, support and/or use IBM products and solutions, an IBM certification credential can help differentiate you from everyone else.

All Software [Professional Certification](#) and [Mastery Certification](#) examinations will be available at this event.

All conference attendees are eligible for **one free examination attempt**. Additional examinations are available at discounted rates. See detailed Fee Schedule on pages 2-4.

- ✓ Business Partners may choose between a free Professional Certification examination OR a free Mastery examination.
- ✓ IBM employees are also eligible for free and discounted exams. For details, please visit the Certification Testing Lab during the conference.

Pre-registration is not required; testing is offered on a first-come, first-served basis.
Visa, MasterCard, and American Express credit cards are accepted payment methods.
