Introduction

- **Les outils pour travailler en réseau (ou Social Networking) sont différents des ceux liés à la Collaboration.** Pourtant les solutions à étudier doivent couvrir ces différents besoins et en même temps étendre les capacités des outils de collaboration.
- **Développer la capacité d'innovation, capitaliser le savoir faire des experts, attirer les jeunes diplômés et mieux utiliser le savoir collectif humain** sont les éléments caractéristiques des solutions de social networking.
- **IBM Lotus Connections** peut vous aider :
 - ▶ A améliorer l'**efficacité des organisations** en permettant de **trouver l'expertise** et en encourageant la **création de réseaux de partage** rapidement
 - ▶ A accroître la **qualité de la recherche d'information** en proposant de l'information recommandée par d'autres collègues
 - ▶ A augmenter la **qualité du travail** en découvrant et en réutilisant le savoir des communautés

Social networking et collaboration

Facteurs Clés de Succès	Chercheurs <i>J'ai besoin de quelqu'un</i>	Contributeurs <i>Je suis quelqu'un</i>
Sensibilisation <i>(visibilité)</i>	Comment savoir qui peut m'aider ?	Comment puis je être davantage connu ?
Aptitude (Confiance)	Cette personne est elle compétente ?	Comment puis je faire connaitre mon savoir ?
Bienveillance (Confiance)	Cette personne va-t-elle m' aider ?	Comment développer ma réputation en tant que partenaire de confiance ?
Mecanisme	Avons nous un mécanisme de collaboration ?	

Pour que la **découverte** des personnes et des savoirs soit **naturelle** il faut **associer étroitement** ces fonctions de social networking aux outils de collaboration

Démonstration - La solution à quel problème ?

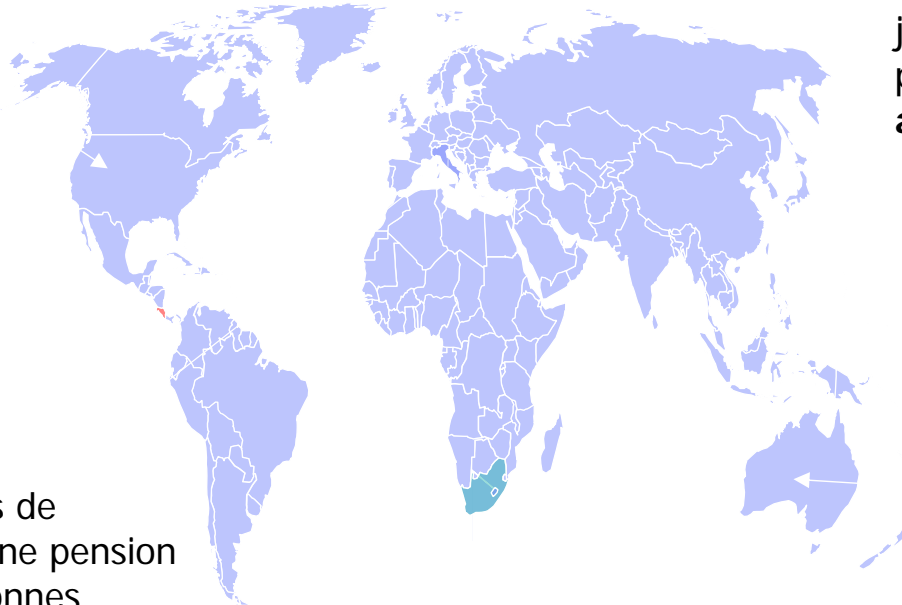

Accroître et améliorer l'innovation

D'après les dirigeants d'entreprises la plupart des innovations proviennent d'abord **des employés, des partenaires ou des clients**

Capitaliser le savoir faire des plus expérimentés et développer une force d'attraction et de rétention sur les plus jeunes

D'ici 2010, **40%** des salariés sera retraitée aux USA

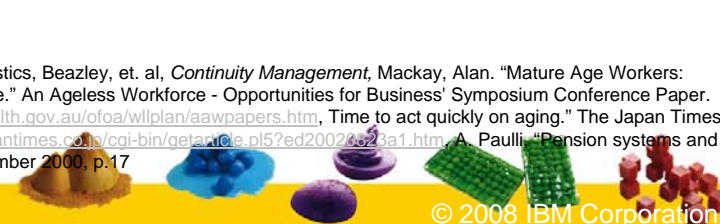

Au cours des **6 prochaines années 33 millions** de japonais (26% de la population) auront **plus de 65 ans**

En 2000 il y avait plus de personnes touchant une pension en Italie que de personnes actives

D'ici 2016 le nombre de personnes **agées de 60 à 64 ans** aura presque **doublé** en Australie

S'appuyer sur un capital humain de plus en plus disperser, et mettre en relations davantage de personnes pour développer une plus grande coopération

- Les environnements de travail sont plus complexes
- Le travail devient de plus en plus collaboratif
- Il requiert encore plus d'interactions entre des personnes ne se connaissant pas

- Customer initiative program guidelines (20080129)
- Milestones (20080129)
- Create Plan Mission Statement (20080129)

On the right side, there are widgets for 'Dogear', 'Yahoo! Maps', and 'Yahoo! Answers'. The bottom of the page features a footer with 'Lotus Quickr' links, 'About' information, and 'FAQs'.

Homepage – Ajout de Widget

The screenshot shows the Lotus Connections homepage with a user named Frank Adams. The page features a navigation bar with links to Home, Profiles, Communities, Blogs, Dogear, and Activities. A search bar is located in the top right corner. The main content area is divided into several sections:

- Profiles:** Displays updates from colleagues, including Ling Shin/renovations and Jasmine Haj/renovations. It also shows 2 pending colleague requests and a search bar for profiles.
- Communities:** Lists my communities, such as Green Hands and Think Energy!
- Activities:** Shows a calendar for January 2008, with the current date being Wednesday, January 30. It includes notifications for 21 new responses to a post and 0 new entries in high priority activities.
- Blogs:** Displays the latest blog entries, including "Adverblog - interactive marketing and other great" and "New Sales Tactics for Renovations - part 1 for success".
- Widget Addition:** A dashed box highlights a "Creating Yahoo! Maps widget" dialog box with the instruction "Release mouse to add Yahoo! Maps widget to the page".
- Drag Widgets to Add:** A sidebar on the right lists available widgets: Dogear and Yahoo! Answers.

The footer contains five columns of links: Lotus Quickr, Lotus Connections, Help, Tools, and About.
