EDUCATION & CERTIFICATION

Class Title	Duration	Code
* Introduction to Object Technology:		
Object-Oriented Technology for Managers (Non Technical Lecture Only)	1 Day	N1605
Object Technology for Technical Professionals	3 Days	N1606
$$ OBJECT $$ - The Competitive Edge for Executives	1 Day	N1939
Building Object Technology Skills with IBM Smalltalk (Hands On)	4.5 Days	N1836
VisualAge QuickStart (Lecture Only Overview)	1 Day	N1784
Road to Objectville - An Object Technology Seminar/University	1 Day	N1884
Concepts of Object-Oriented User Interface Design	2 Days	N5009
* Building Object Technology Skills:		
Object-Oriented Analysis and Design	3.5 Days	N1603
Object-Oriented User Interface Design Workshop	3 Days	N5010
Object-Oriented Programming & Design with Smalltalk	4.5 Days	N3612
Developing Object Oriented Applications: The Full Life Cycle	4.5 Days	N1936
Practicing Object Oriented Analysis & Design	4.5 Days	N1942
Basic Object Oriented Analysis & Design	2 Days	N1944

* Application Programming with VisualAge
  and IBM Smalltalk:

Application Construction Using VisualAge Version 2	5 Days	N1762
VisualAge Advanced Topics	4.5 Days	N1943
Team Development with Smalltalk and VisualAge	2 Days	N1945
Object Technology University School One: Smalltalk Developer/Testing Training	25 Days	N9000
VisualAge for Smalltalk Prototyping Practicum (professional certification)	5 Days	N1947

* Application Builders:

Building Applications with VisualAge and IBM Smalltalk	5 Days	N1818

* Parts Builders:

Introduction to Object Oriented Programming in IBM Smalltalk	5 Days	N1816
Advanced Object-Oriented Programming in IBM Smalltalk	5 Days	N1817

For Parts Builders with Prior Smalltalk Experience:

Bridging from VisualWorks to IBM Smalltalk	3 Days	N1819
Bridging from Smalltalk/V to IBM Smalltalk	3 Days	N1820

For more details on these courses, please call 1-800-IBM-TEACh.

Additional Third-Party Vendor Courses

Knowledge Systems Corporation (919-481-4000):

Introduction to VisualAge	5 Days
Application Development in VisualAge	5 Days
VisualAge Apprentice Program	4-6 Weeks
IBM Smalltalk Apprentice Program	4-6 Weeks

The Object People (613-225-8812):

Introduction to VisualAge	5 Days
Building Applications Using VisualAge and IBM Smalltalk	5 Days
Team Programming Using VisualAge and IBM Smalltalk	2 Days
