

# Terms and Conditions for the Insight for Oracle Database Utility

## License: Use of the IBM Insight for Oracle.

IBM grants you a nonexclusive license to use the IBM Insight for Oracle (the "Program"). You may not (1) use, copy, modify, or distribute the Program except as provided herein; (2) reverse assemble, reverse compile, or otherwise translate the Program except as specifically permitted by law without the possibility of contractual waiver; or (3) sublicense, rent, or lease the Program.

## No Warranty

Subject to any statutory warranties which can not be excluded, IBM makes no warranties or conditions either express or implied, including without limitation, the warranty of non-infringement and the implied warranties of merchantability and fitness for a particular purpose, regarding the program or technical support, if any. IBM makes no warranty regarding the capability of the program to correctly process, provide and/or receive date data within and between the 20th and 21st centuries.

## Limitation of Liability

Neither IBM nor its suppliers will be liable for any direct or indirect damages, including without limitation, lost profits, lost savings, or any incidental, special, or other economic consequential damages, even if IBM is informed of their possibility. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion or limitation may not apply to you.

## General

Nothing in this Agreement affects any statutory rights of consumers that cannot be waived or limited by contract.

IBM may terminate this license if you fail to comply with the terms of this Agreement. If IBM does so, you must immediately destroy the Program and all copies you made of it.

You agree to comply with all applicable export laws and regulations.

Neither you nor IBM will bring a legal action under this Agreement more than two years after the cause of action arose unless otherwise provided by local law without the possibility of contractual waiver or limitation.

Neither you nor IBM is responsible for failure to fulfill any obligations due to causes beyond its control.

IBM does not provide program services or technical support for this Program. However, questions can be directed via e-mail to [ibmerp@us.ibm.com](mailto:ibmerp@us.ibm.com).

IBM will endeavor to reply to these questions as expeditiously as possible.

The laws of the State of New York govern this Agreement.
