#### Trademarks

- IBM, the IBM logo, and ibm.com are trademarks or registered trademarks of International Business Machines Corporation, registered in many jurisdictions worldwide. Worklight is a trademark or registered trademark of Worklight, an IBM Company. Other product and service names might be trademarks of IBM or other companies. A current list of IBM trademarks is available on the Web at "<u>Copyright and</u> <u>trademark information</u>" at <u>www.ibm.com/legal/copytrade.shtml</u>.
- Adobe, the Adobe logo, PostScript, and the PostScript logo are either registered trademarks or trademarks of Adobe Systems Incorporated in the United States, and/or other countries.
- Microsoft, Windows, Windows NT, and the Windows logo are trademarks of Microsoft Corporation in the United States, other countries, or both.
- Other company products or service names may be trademarks or service marks of others.
- This document may not be reproduced in whole or in part without the prior written permission of IBM.

# About IBM®

See <u>http://www.ibm.com/ibm/us/en/</u>

- Supported Desktop Environments
- Development
- Environment-specific capabilities
- Environment-specific images
- Debugging the application
- Deployment

#### Supported Desktop Environments

- IBM Worklight® supports the following desktop environments:
  - Windows Store Apps Built into the Windows 8 OS
  - Adobe Air http://get.adobe.com/air/

- Supported Desktop Environments
- Development
- Environment-specific capabilities
- Environment-specific images
- Debugging the application
- Deployment

#### **Development**

- Windows Store Apps
  - The development is done in the Worklight Studio and in Microsoft Visual Studio Express 2012 for Windows 8.
  - To open the project in Visual Studio Express 2012 for Windows 8, double-click the <APPLICATION\_NAME>.jsproj file in the native folder.
  - The files in the project in Visual Studio Express 2012 for Windows
     8 are the files in the Native folder in the Eclipse project.
- Adobe Air:
  - The development is done entirely in Worklight Studio.

- Supported Desktop Environments
- Development
- Environment-specific capabilities
- Environment-specific images
- Debugging the application
- Deployment

#### Environment-Specific Capabilities: Windows Store Apps

- Some useful Windows Store Apps APIs implemented in the Worklight API:
  - Initialize an option menu: WL.OptionsMenu.init();
  - Add an item to the option menu: WL.OptionsMenu.addItem('ID', function() {}, ITEM\_TEXT, {image: 'PATH\_TO\_IMAGE\_IN\_THE\_RESOURCES\_FOLDER'});
  - Override an icon with a default Windows 8 icon: document.getElementById('#ID').winControl.icon = 'refresh';
- Other Windows Store Apps APIs:
  - Windows.Devices.Geolocation
  - Windows.Media.Capture
  - Windows.ApplicationModel.Contacts

#### **Environment-Specific Capabilities: Windows Store Apps**

#### Add Options Menu to your application

(C)

#### Environment-Specific Capabilities: Adobe AIR

- Some useful Adobe Air APIs:
  - Minimize window: window.nativeWindow.minimize();
  - Maximize window: window.nativeWindow.maximize();
  - Restore window: window.nativeWindow.restore();
  - Close window: window.nativeWindow.close();

#### Environment-Specific Capabilities: Adobe AIR

Add minimize and close buttons to your app

Worklight Starter	<pre>50 function afterIntiEnv() { 6      createCloseAndMinimize(); 7 }</pre>

# Environment-specific Images: Windows store Apps

- logo.png The logo image represents the square tile image of the app in the Start screen 150px \* 150px
- smalllogo.png The small logo is displayed with your app display name in search results that are returned on the Start screen.

30px \* 30px \, 🍘

- Splashscreen.png The splash screen is displayed for a short time when the user opens the app. 620px \* 300px
- Storelogo.png

The store logo is the image the Windows Store uses when it displays your app listing in search results and with the app description in the listing page.

## Environment-specific Images: Adobe Air

# Exercise: Optimize Worklight Starter

- This exercise is based on the WorklightStarter application
- Optimize Worklight Starter for <u>Windows store Apps</u>:
  - Optimize design
  - Option Menu
- Optimize the Worklight Starter for <u>Air</u>:
  - Optimize color scheme
  - Minimize & Close buttons

#### Exercise: Optimize the RSS Reader

#### Optimize for Windows store Apps

#### - Add an Option menu With Feeds About and Reload buttons

Worklight Starter

#### Support and comments

- For the entire IBM Worklight documentation set, training material and online forums where you can post questions, see the IBM website at:
  - http://www.ibm.com/mobile-docs
- Support
  - Software Subscription and Support (also referred to as Software Maintenance) is included with licenses purchased through Passport Advantage and Passport Advantage Express. For additional information about the International Passport Advantage Agreement and the IBM International Passport Advantage Express Agreement, visit the Passport Advantage website at:
    - <u>http://www.ibm.com/software/passportadvantage</u>
  - If you have a Software Subscription and Support in effect, IBM provides you assistance for your routine, short duration installation and usage (how-to) questions, and code-related questions. For additional details, consult your IBM Software Support Handbook at:
    - http://www.ibm.com/support/handbook
- Comments
  - We appreciate your comments about this publication. Please comment on specific errors or omissions, accuracy, organization, subject
    matter, or completeness of this document. The comments you send should pertain to only the information in this manual or product and
    the way in which the information is presented.
  - For technical questions and information about products and prices, please contact your IBM branch office, your IBM business partner, or your authorized remarketer.
  - When you send comments to IBM, you grant IBM a nonexclusive right to use or distribute your comments in any way it believes
    appropriate without incurring any obligation to you. IBM or any other organizations will only use the personal information that you supply
    to contact you about the issues that you state.
  - Thank you for your support.
  - Submit your comments in the IBM Worklight forums at:
    - https://www.ibm.com/developerworks/mobile/mobileforum.html
  - If you would like a response from IBM, please provide the following information:
    - Name
    - Address
    - Company or Organization
    - Phone No.
    - Email address

#### Thank You
