Software secrets of the world's most successful companies. Little-known fact:

385 of the *Fortune* 500 now rely on communications software from IBM. The latest Personal Communications AS/400 and 3270 (PCOMM) release integrates host access and Internet access on desktops, leveraging IT assets in a connected world. Our free evaluation kit will show you how easy it is to create anywhere-to-everywhere connections across virtually any network. Order it today at www.software.ibm.com/pcomm or 1 800 901-2205, code 6C7AB030. We also have some incentives you can take to the bank: a 30-day guarantee, generous upgrade programs, and volume discounts for companies that think big.
