Universal access for a universe of users. IBM eNetwork Communications Suite gives you the power to provide access to users anywhere, over virtually any network. Now you can leverage your existing IT assets by extending the reach of your network while enjoying the same bulletproof integrity you built into your enterprise network infrastructure. And with a series of best-in-class components, you can standardize your users while satisfying their individual needs. Try it for yourself. It's the enterprise-class solution to universal access. [Call 1 800 901-2205, code 6C7BJ003, or visit \[www.software.ibm.com/access\]\(http://www.software.ibm.com/access\)](tel:18009012205) for the no-charge Communications Suite Evaluation Kit, and to take advantage of limited-time introductory prices.

eNetwork Communications Suite
