

Solutions for a small planet™

## **ATTENTION:**

**WE INTERRUPT THIS MAGAZINE  
TO REMIND YOU  
THAT APPLICATIONS  
YOU'VE READ ABOUT SO FAR**

**CAN WORK WITH  
APPLICATIONS YOU'LL  
READ ABOUT FROM HERE ON.**

IBM's MQSeries™ is the application connection for over 20 platforms. From Windows NT to S/390®, it lets different systems do business without a lot of connectivity code. And without the usual backups and breakdowns. For a preview CD and rebate news, call 1 800 627-2931, code 6C7AA028 or visit [www.software.ibm.com/mqseries](http://www.software.ibm.com/mqseries).
