

IBM ISV Enablement Schedule for July – Dec 2010
Education for a Smarter Planet: The Future of Learning

| Course Title | IIC | Day(s) | Start Date | Topic Covered | Who Should Attend |
|---|--------|--------|---------------|---|---|
| INFORMATION MANAGEMENT | | | | | |
| DB2 9.7 | | | | | |
| DB2 9.7 Deep Dive Training + Technical Certification Preparation Clinic | KL | 3 | 3rd August | This course will help you develop technical skills in DB2 v9.7 and equip you with DB2 knowledge needed in your job. <ul style="list-style-type: none"> • DB2 v9.7 Spotlight: New features in DB2 • DB2 Family: Planning the DB2 implementation • DB2 Tools: Data Studio, • DB2 Security • DB2 and Data Concurrency • DB2 Practical Autonomics • DB2 Storage Optimization • DB2 Range Partitioning • XML Technology: DB2 pureXML and XQuery • DB2 Workload Management • DB2 High Availability • DB2 9.7 Support for Oracle Compatibility | <ul style="list-style-type: none"> • Pre-sales • Developer • SW Engineer |
| DB2 9.7 Deep Dive Training + Technical Certification Preparation Clinic | KL | 3 | 30th November | | |
| DB2 9.7 Deep Dive Training + Technical Certification Preparation Clinic | Manila | 3 | 8th September | | |
| DB2 9.7 Deep Dive Training + Technical Certification Preparation Clinic | Manila | 5 | 6th December | | |
| Oracle to DB2 Switch | KL | 2 | 7th September | The Oracle to DB2 Switch Camp is a 2-day workshop that targets Oracle practitioners. It prepares them to understand the technological differences between Oracle and DB2. This bootcamp covers the Oracle Compatibility features and includes a demo on the Migration process. This bootcamp concludes with the M45 Tech Mastery Test and 730 DB2 Fundamental Certification Exam. | <ul style="list-style-type: none"> • Developer • SW Engineer |
| DB2 Performance Tuning and Monitoring Clinic | KL | 3 | 19th October | The DB2 Performance Tuning and Monitoring Clinic is a series of distinctly focused presentations and labs replete with "How to's" and "Best Practices" intended to help the attendee master the intricacies of maintaining a healthy and robust DB2 based information management system | <ul style="list-style-type: none"> • Developer • SW Engineer |
| DB2 Performance Tuning and Monitoring Clinic | HCMC | 3 | 11th August | | |
| DB2 Performance Tuning and Monitoring Clinic | HCMC | 3 | 16th August | | |
| POT | HCMC | 2 | 30th August | This workshop provides: <ul style="list-style-type: none"> • Database Monitoring & Audit Test Drive, • Delivering Trusted Information Test Drive, • Budgeting and Forecasting for better business outcome Test Drive, • Cognos Business Intelligence - For Better Decisions Test Drive | <ul style="list-style-type: none"> • Developer • SW Engineer |
| POT | HCMC | 4 | 3rd September | | |
| POT | HCMC | 5 | 4th October | | |
| Informix Dynamic Server | | | | | |
| Informix Bootcamp | KL | 3 | 23rd November | This technical workshop provides training on IBM Informix Dynamic Server 11.5 in a classroom setting. Detailed presentations and hands-on labs are included where attendees will gain in-depth knowledge of exciting new features and areas including: <ul style="list-style-type: none"> • IDS Embeddability features • Administration and performance tuning • Informix Warehouse • OpenAdmin Tool • Continuous Availability • Data compression | <ul style="list-style-type: none"> • Pre-sales • Developer • SW Engineer |

| WEBSHERE | | | | | |
|---|--------|---|----------------------------|--|---|
| WebSphere Application Server and Rational Application Developer | | | | | |
| WebSphere Sales and Technical Enablement Workshop (STEW) | KL | 3 | 27th July | This class will provide you with a technology overview covering some of the new major features that are embedded into IBM's latest edition to our WebSphere Application Server (WAS) portfolio. Topics that will be covered include the following: 1) The evolution of WAS 2) WAS systems administration 4) WAS security 5) WAS development | <ul style="list-style-type: none"> • Pre-sales • Developer • SW Engineer |
| WebSphere Sales and Technical Enablement Workshop (STEW) | KL | 3 | 21st September | | |
| WebSphere Sales and Technical Enablement Workshop (STEW) | KL | 3 | 9th November | | |
| WebSphere Technical Certification Preparation Clinic | Manila | 5 | 9th August | <ul style="list-style-type: none"> • Install, configure and maintain WebSphere Application Server V7 base and Network Deployment (ND) • Deploy enterprise Java applications • New features of WAS V7 • Centralized installation and auditing | <ul style="list-style-type: none"> • Pre-sales • Developer • SW Engineer |
| WebSphere Technical Certification Preparation Clinic | Manila | 5 | 8th November | | |
| WebSphere MQ | | | | | |
| WebSphere MQ | KL | 2 | 10th August | <ul style="list-style-type: none"> • Technical overview of IBM WebSphere MQ • Installing, tailoring, managing and troubleshooting a WebSphere MQ system | <ul style="list-style-type: none"> • Pre-sales • Developer • SW Engineer |
| WebSphere Sales Training | | | | | |
| WebSphere Sales Training | Manila | 1 | 7th July | <ul style="list-style-type: none"> • Install, configure and maintain WebSphere Application Server V7 base and Network Deployment (ND) • Deploy enterprise Java applications • New features of WAS V7 • Centralized installation and auditing | <ul style="list-style-type: none"> • Pre-sales • Developer • SW Engineer |
| POT | HCMC | 4 | 27 th September | <ul style="list-style-type: none"> • WebSphere - Dynamic Application Infrastructure Solution Tour, • Connectivity and Integration Test Drive, • Smart Work and Business Process Test Drive | <ul style="list-style-type: none"> • ISV • SI • Customer |
| POT | HCMC | 1 | 1st October | | |
| WebSphere Message Broker | | | | | |
| WebSphere Message Broker | KL | 2 | 5th October | <ul style="list-style-type: none"> • Hands On Session • WebSphere Message Broker product architecture and functionality • Configuring the environment and establishing a broker domain • Administrative actions | <ul style="list-style-type: none"> • Pre-sales • Developer • SW Engineer |
| ILOG | | | | | |
| ILOG Visualization | KL | 2 | 20th July | <ul style="list-style-type: none"> • Smarter Planet with ILOG Visualization • Hands on Session | <ul style="list-style-type: none"> • Pre sales • Developer • SW Engineer • GUI Designer |
| ILOG Optimization | KL | 2 | 24th August | <ul style="list-style-type: none"> • Smarter Planet with ILOG Optimization • Hands on Session | <ul style="list-style-type: none"> • Pre-requisite is pre sales, developer, SW Engineer with Operations Research Knowledge |
| ILOG Supply Chain | KL | 2 | 14th September | <ul style="list-style-type: none"> • Smarter Supply Chain Solutions with ILOG • Hands on Session | <ul style="list-style-type: none"> • Pre sales • Developer • SW Engineer |
| RATIONAL | | | | | |
| Rational Quality and Compliance | | | | | |
| POT | HCMC | 4 | 3rd August | <ul style="list-style-type: none"> • Collaborative Application Life Cycle Management Test Drive , • Software Quality Management Test Drive, • Software Investment Management Test Drive, • TOGAF and IBM System Architect Orientation, • Collaborative Application Life Cycle Management Test Drive , • Software Quality Management Test Drive | <ul style="list-style-type: none"> • Pre sales • Developer • SW Engineer |
| POT | HCMC | 4 | 23rd August | | |
| POT | HCMC | 4 | 12th October | | |
| POT | HCMC | 4 | 25th October | | |
| TIVOLI | | | | | |

| | | | | | |
|--|--------|---|----------------|--|---|
| POT | HCMC | 5 | 16th August | <ul style="list-style-type: none"> • Service Availability and Performance Management Test Drive, • Service Process Management Test Drive, • Security and Compliance Test Drive, | |
| POT | HCMC | 5 | 18th October | <ul style="list-style-type: none"> • Service Availability and Performance Management Test Drive, • Service Process Management Test Drive, • Security and Compliance Test Drive | <ul style="list-style-type: none"> • Pre sales • Developer • SW Engineer |
| LOTUS | | | | | |
| WebSphere Portal Training | | | | | |
| WebSphere Portal Application Workshop | KL | 3 | 14th December | <ul style="list-style-type: none"> • The components, features, and functions of WebSphere Portal Enable and WebSphere Portal Express • Available development tools: <ul style="list-style-type: none"> ○ Rational Application Developer ○ WebSphere Portlet Factory ○ WebSphere Dashboard Framework • Composite applications • How to develop and deploy portlets • How to leverage portlet standards such as JSR286 and Web 2.0 technologies • Rapid portlet development techniques and tools • Methods for implementing single sign-on in a portal environment • How to deliver offline portlets in a rich client platform | <ul style="list-style-type: none"> • Pre-sales • Developer • SW Engineer |
| WebSphere Portal Application Workshop | Manila | 3 | Q3 | | |
| Lotus Foundations Hands on Training | | | | | |
| Lotus Foundations Start Technical Training | Manila | 1 | 1st July | <ul style="list-style-type: none"> • Hands on session | <ul style="list-style-type: none"> • Pre-sales • Developer • SW Engineer |
| Lotus Foundations Start Sales Training | Manila | 1 | 2nd July | <ul style="list-style-type: none"> • GTM training | <ul style="list-style-type: none"> • Sales |
| Lotus Integration Deep Dive | Manila | 2 | 17th Aug | <ul style="list-style-type: none"> • Install and configure Domino LDAP user registry • Install WebSphere Portal and WAS Network Deployment • Transfer Portal database to external database • Create and configure clustered WebSphere Portal to support fail-over • Enabling security for Portal cluster • Configure Portal to use external HTTP server • Integrating WebSphere Portal with Lotus Sametime to provide presence and awareness | <ul style="list-style-type: none"> • Pre-sales • Developer • SW Engineer |
| POT | HCMC | 3 | 20th September | <ul style="list-style-type: none"> • Next Generation Collaboration Test Drive, • Portal Solution Tour, • Work Smart with Domino\Notes Test Drive | <ul style="list-style-type: none"> • ISVs, Sis, customers |
| Lotus Notes/Domino | | | | | |
| Lotus Notes/Domino 8.5 | KL | 3 | 13th July | <p>Learn about the new and exciting features of Lotus Notes 8.5 and Domino 8.5</p> <ul style="list-style-type: none"> • How to develop Eclipse components using Rational Application Developer • Using Lotus Domino Designer 8.5 to build and assemble XPages applications that use Eclipse and NSF components • How to wire together the components of a composite application • How to build and consume Web services • How to enable mobile support using Notes Traveler • How to build and use Notes Widgets | <ul style="list-style-type: none"> • Pre-sales • Developer • SW Engineer |
| Lotus Forms 3.5.1 Workshop | KL | 3 | 12th October | <p>Learn about IBM Lotus Forms with focus on how to develop form driven applications, leverage open standards to integrate with multivendor platforms, and streamline workflow with role-based intelligence. What you will discover by attending: Lotus Forms architecture, Designing forms, XFDL and XForms AND more...</p> | |
| OS TRAINING | | | | | |
| Linux Workshop | KL | 3 | 17th August | <ul style="list-style-type: none"> • Hands On Session • Features and functions of Linux operating system | |

| | | | | | |
|---|----|---|----------------|---|---|
| | | | | <ul style="list-style-type: none"> • Basic system administration | |
| AIX Workshop | KL | 2 | 25th October | <ul style="list-style-type: none"> • Hands On Session • Features and functions of the AIX operating system • Basic system administration | |
| TECHNICAL CERTIFICATION (PROMETRIC TEST) | | | | | |
| Information Management, WebSphere and Lotus Technical Certification Day (Prometric) | KL | 1 | 29th September | <p>You can take any Prometric exams for the Information Management, WebSphere and Lotus brand. Our suggested exams are:</p> <p>DB2 9.7 – Test 730 - DB2 Family Fundamentals Test 731 - DB2 Certified Administrator</p> <p>WAS 7 - Test 377 - IBM WebSphere Application Server Network Deployment V7.0, Core Administration</p> | <ul style="list-style-type: none"> • Pre-sales • Developer • SW Engineer |
| Information Management, WebSphere and Lotus Technical Certification Day (Prometric) | KL | 1 | 21st December | | |

Terms & Conditions:

- IBM reserves the right to reschedule any course
- Max 2 pax per company, additional registration will be on waitlist
- Free enrollment for PartnerWorld Members
- First come first serve basis

To Register:

Send an email to :
