- Get buy-in across the organisation
 - education, education, education
- Select the right partner (see sponsors!)
- Invest in training from day 1
- Get a quick success to get the ball rolling
- Let the business users do as much as possible

QUESTIONS?

The background features a light gray grid pattern. Scattered across the grid are various colorful 3D-rendered spheres and rings in shades of red, blue, green, yellow, and purple. Some are solid, while others are hollow rings. The overall aesthetic is clean and modern, suggesting data and technology.
