
Products and scripts in V7.1.3 and V7.1.4 use the License Guide for V7.1.3

Use the V7.1.3 License Guide for both the IBM Spectrum Protect™ V7.1.3 and V7.1.4 product family releases.

Even though enhancements for reporting capacity information are available in the IBM Spectrum Protect V7.1.4 family of products and scripts, the information in the V7.1.3 Licensing Guide is still applicable.
